

MATTATUCK DRUM BAND

SINCE 1767
WATERBURY, CONNECTICUT

Dear Participants,

Thank you for being part of our upcoming 250th anniversary celebration on June 17, 2017. Below are the details of the day's events along with a map with parking information. For more information, maps, and parking info, please visit www.mattatuck.org

The parade is scheduled to step off at 12:00 noon sharp. The parade will begin and end at Library Park on 267 Grand St. Please have your unit report to staging area at Library Park no later than 11:15am. Parade event staff will be wearing bright colored T-shirts for you to easily identify and can direct you to your designated area before the parade. All participants must be in full uniform.

Following the parade, all units will be directed back to their designated area in the park for a brief ceremony. During the ceremony, each band will be introduced and asked to perform a song of their choosing. Your unit can stay in place or march into the center of the field. In the interest of time, we ask that you limit your selection to one song, not a medley. Participation presentations will be made to your unit at this time.

Following the ceremony all participants and their guests are invited to the Waterbury Elks Lodge #265 located at 285 West Main Street for food and refreshments. The Elks lodge is a short walking distance from Library Park. Wristbands for the food and refreshments will be handed out to your unit following your performance, a head count for those attending would be appreciated.

A variety of parking lots will be available all around Library Park.

Please visit our website for more information, www.mattatuck.org

Thank you all and see you on June 17th.
